

Shaw Resigns As Administrator Of District Hospital

Official, Board, Patients
All Agree Institution
Runs Smoothly

Philip Shaw, administrator at the Tahoe Forest Hospital since December, this week tendered his resignation to the board of directors and official action is expected to be taken at the next meeting of the board.

Shaw, in giving notice to the board, said he would remain until a successor was chosen if that action could be taken within a period of 30 days. He said that the duties assigned him by the board took too much of his time and were proving impossible for one man to accomplish. He has been officiating as administrator as well as x-ray and laboratory technician.

C. R. Heller, president of the board of directors, said the resignation did not come as a surprise to the board as there had been previous indications that a change might be forthcoming in the administration.

The board is expected to take official action on the resignation at Friday's meeting.

In the meantime, efforts are being made to replace the administrator and applications are being studied by the board, Heller said. Shaw did not indicate his future plans, but indicated he had been offered a similar position elsewhere.

Both Heller and Shaw said the operation of the hospital since its opening has been exceptionally smooth. Patients have been high in their praise for the service received and, as one recently discharged patient, F. A. Titus, pioneer Truckee man, said, "It was almost like being at home. I can't speak too highly of the services and care provided."

P. T. A. WILL OFFER SMORGASBORD SOON

The Parents and Teachers Association of the Truckee Elementary School will give a smorgasbord dinner Saturday evening, May 17, beginning at 6 p.m. in the school building. A small sum will be charged for adults and children, the fund to be donated to a worthy project of the organization.

The regular meeting of the Truckee Elementary P.T.A. will be held Monday, May 12, at 8 p.m. Douglas Barrett will speak on the topic of "One Vote." All members are urged to attend as final plans will be made for the smorgasbord the following Saturday.

C.S.E.A. Ladies Night At Donner Summit

Committees from Donner Chapter of the California State Employees Association are busy preparing for the Ladies Night dinner to be held Saturday, May 10, at Donner Summit Lodge. A buffet dinner and dancing will feature the event and plans are being made for a large turnout.

Assisting Omar Alexander, president, and Roy Stallard on the committee are W. C. Gage, John Wilson and Donald Rich.

Eastern Star Leader To Visit Chapter Here

Truckee Chapter No. 116, Order of Eastern Star, held a regular meeting here Tuesday night, with Worthy Matron Ida Crandall presiding. It was announced that Deputy Grand Matron Mildred Lambert of Portola will hold a special meeting here on May 13 for instruction. All officers are asked to be on hand for the session at 7:30 p.m.

Mrs. Lambert will pay her official visit to the chapter on the evening of May 20.

Kehlets Clearing Snow From Meeks Bay Streets

MEEKS BAY—George and Fred Kehlet of Meeks Bay have arrived at Lake Tahoe to prepare their resort for a busy summer season. At present they are engaged in removing the snow from the walks and streets and repairing damage done by the heavy winter snows. Kehlet, who spent the winter at Palm Springs, said he anticipates a good season at the lake.

Former Truckee Boy Wins West Point Assignment

E. K. Stice, Truckee S. P. agent, has received word from his son, Dale, now a master sergeant in the Air Force, revealing that he has secured an appointment to West Point and has passed the entrance requirements.

The appointment was secured by the former Truckee high school student from Congresswoman Reva Beck Bosone of Utah, the young man's home state.

Dale will enter the national military academy the first of July.

ROUGH WEATHER, WATER REDUCES ANGLERS' CATCHES

A number of good catches of mackinaw were reported from Lake Tahoe this week, following the official opening of the trout season there and at Boca and Donner Lake. Results at the latter two lakes were not good opening day because of inclement weather and water conditions.

A few rainbows were taken from Donner but the water there is too low for best results and the wind made trolling a dangerous and not too lucrative sport. Similar results were reported at Boca, although several nice catches were made by Reno anglers from boats.

While more experienced fishermen were trying without success to lure the wily trout from Donner Lake, a four-and-a-half year old boy—Johnny Goodhue, son of Mr. and Mrs. James Goodhue of the Donner Lake area—landed a 13-inch rainbow from the bank near his parents' home.

Fishing with his older brother, Johnny hooked a larger trout but could not attract the interest of his brother until the fish had escaped. A few minutes later, he snagged the second.

Fishermen expect conditions to improve as the season advances and the water arrives at a more moderate temperature. Streams will not open in this district until May 30.

WAKEFIELD TAKES OVER STATION HERE

At Wakefield this week took over the operation of the Texaco service station on the main street in front of Osburn's Buick Garage. He will continue to maintain the station as in the past, featuring general automotive service, lubrication and washing and polishing.

Wakefield is well known in Truckee where he has made his home since he left the Navy following the war six years ago. He gained his experience in his chosen work at Osburn's Associated Station where he has been employed much of the six years he has been here. He also has held a position with the Southern Pacific company at the roundhouse. The new station operator has been active in local sports and is a star player on both the basketball and baseball teams. He is married and they have two small daughters.

Joe Garcia is currently assisting Wakefield at the station.

Ricocheting Toy Badly Injures Local Boy's Eye

A rebounding arrow from a dart game caused serious injury to the eye of Brian Phipps, 7-year-old son of Mr. and Mrs. Barney Phipps, while playing in his home during the weekend. Following first aid by Dr. L. D. Nelson, the child was rushed to an eye specialist who operated on Friday.

Brian is reported improved and his many friends are hopeful for his rapid recovery. His mother reports that the patient may be able to come home tomorrow.

Goes North

Mrs. T. T. Buell left yesterday with her brother, Arthur Rich, for the latter's home at Seattle, where she will visit relatives for three weeks.

Mr. and Mrs. V. C. Shattuck were guests of Mr. and Mrs. T. J. Turner at Lakeport this week.

Truckee Baseball Team Will Meet Colfax Sunday

Placerville Barts Fatten
Runs Scored to Tune
Of 17 to 1

The Placerville Bartlett's rapped the Truckee Mountaineers in a one-sided baseball game Sunday to the tune of 17 to 1.

The locals, Manager John Rau declared, were going fair to medium during the opening part of the contest but blew sky-high during the last half, with Louis Shinn striking out 16 batters.

The game next Sunday will be played at Colfax as the local diamond is still too wet, Rau said. The following Sunday, Truckee will play its first home game. Rau said he has hopes that the Truckee boys will be in shape to give Colfax a run for the money Sunday and plans a few alterations in the line-up.

Eddie Ulsheimer did most of the hitting for Truckee Sunday with two triples and a single.

The score: R H E
Truckee 1 6 4
Placerville 17 15 2
Batteries: Roath and Korich; Shinn and Aubert.

HIGH SCHOOL P.T.A. TO MEET TONIGHT

Cliff King, president of the High School P.T.A., announced today that the regular monthly P.T.A. meeting tonight at 8 p.m. at the cafeteria is very important and he wants to urge all parents to attend. On the agenda are nominations for officers for next year, a speech by Toni Street on "Learning to Live Together," a short discussion on the same topic by a panel and the audience, recreation in the gymnasium between students, parents and teachers, and refreshments in the cafeteria.

King extended a special invitation to the parents with children starting to the seventh grade this fall.

Public Schools Week Program Well Attended

At the Public Schools Week open house at the high school last Thursday night, a large crowd heard Don Bowman, master of Truckee Lodge No. 200, F&AM, speak on "Public Schools Week and Public Education." Also on the program were Miss Toni Street, senior, who gave her prize winning speech, "Learning to Live Together," and the High School Band and Chorus, under the direction of Ernest Douglas.

After refreshments were served in the cafeteria, the parents and friends toured the classrooms to see student work on display. Many viewed the completed building for the first time and were impressed by the complete facilities that are available to students in this area.

Tahoe Man Finds Well Is Nearly Overflowing

TAHOE CITY—Howard Guth of Tahoe Lodge has been checking his well and finds that it increased eight inches overnight and is within four inches of overflowing. He suggests that everyone check their pumps and basements. During the big flood of October 1950, his well showed only slight increase. There are eight feet of snow left in front of the Tahoe Lodge cabins, so there is plenty of water come, with rains adding to the total, Guth declared.

by Walter M. Barrett

The reception given Truckee baseball officials in their effort to secure assistance to maintain the club here has been more than gratifying. Manager John Rau expressed his appreciation for the financial aid received and in turn promised to provide the region with a representative team. The boys have had some trouble getting started and have lost the first three games played, but are improving and doing their best. Whether they win or lose, however, does not add nor detract from the fact that they represent a community which is willing to back them up morally and financially.

With national affairs occupying the world spotlight, Truckee area is fortunate in being able to have as a speaker next Monday Congressman Clair Engle. Engle has represented this district in Washington for many years and is thoroughly familiar with the situation and in his discussion Monday will perhaps throw a new light on various issues. The public is invited to attend the session which will be held at 8 p.m. following a dinner in Engle's honor at the high school cafeteria.

HI SCHOOL CHORAL TO TAKE PART IN MUSICAL FESTIVAL

The Tahoe-Truckee High School chorus will travel to Roseville on Saturday, May 10, to participate in the Sierra Foothill Music Festival. They will spend the entire day at Roseville High School performing and listening to musical organizations from other schools.

The chorus will sing two numbers, "How Shall I Filly Meet Thee," from Bach's Christmas Oratorio, and "How Lovely is Thy Dwelling Place," from Brahms' German Requiem. Mrs. Janet Briggs, principal of the Tahoe Lake School, will accompany the latter selection.

Ernest Douglas, high school music director, expressed the belief that participation in the Sierra Foothill Festival will become an annual tradition for the Tahoe-Truckee music groups. Only the chorus is being entered this year, but the band, ensembles and soloists will be entered in the future.

SMISEK BROTHERS OFFERING SERVICE

W. J. and Leo Smisek are busy renovating and redecorating the Shell service station near The Bungalow, west of town, which they will open Saturday, May 10. The brothers, both of whom are employed by the Southern Pacific Company, are widely known here and invite their friends to drop in at their new station.

They will carry a line of accessories as well as servicing vehicles, Bill Smisek said.

Truckee Man's Car Stolen from High St.

Patrolman Roy Stallard was called yesterday morning to investigate the theft of an automobile belonging to Red Jolly which had been stolen during the night from its parking place on High Street. An all-points bulletin was sent out by the California Highway Patrol for the 1936 Chevrolet.

SOFT BALL PROJECT

Mrs. Hugh Weinand asks that any high school girls or young women who have formerly played soft ball contact her if they would like to take part in the sport this season.

LADY EAGLES

A regular meeting of the Ladies Auxiliary of the F. O. Eagles, was held Monday evening in the IOOF hall. Mae Mattos was chairman of the refreshment committee.

Mr. and Mrs. Tony Besio and family of Modesto were weekend guests of his mother, Mrs. Steve Besio, and Mr. and Mrs. Angelo Besio.

Program Plan To Be Outlined For Sportsmen Meet

Senator Johnson is Visitor
To Prepare the Way
For Colleagues

Members of the Truckee Outdoor Sportsmen will join with Chamber of Commerce members tonight to lay final plans for the meeting on May 21 when the Senate Interim Committee on Fish and Game will arrive here for a public session following a dinner at the high school cafeteria.

All service clubs, sportsmen's organizations and chambers of commerce in the district are expected to be represented and E. V. O'Rourke, chairman of the Lions Club committee arranging for the dinner, said he expected between 250 and 300 at the dinner with an unestimated number to attend the public gathering immediately following.

The interim committee, headed by Senator Howard Williams of Tulare, is making an extensive tour of the region, with meetings in various cities for the purpose of determining what can be done to improve fishing and hunting.

Senator Harold T. Johnson of Roseville, a member of the committee, was here this week to discuss features of the forthcoming meeting.

The meeting will be one of the most important pertaining to fish and game which has been scheduled for this area for several years and a coordinated program for development should be presented for study by the legislators.

Reg Smart will preside at tonight's meeting of the chamber and sportsmen, and other matters of importance to the district are expected to come up for discussion.

Tahoe Water Conference To Hold Meet at Lake

The Lake Tahoe Water Conference Committee will convene at 11 a.m. Friday, May 16, at Glenbrook, Lake Tahoe, for further discussion of the various problems concerning the current lake level situation, together with matters pertaining to flood control on the Truckee and Carson Rivers.

Woman's Society Will Meet at Walker Home

The Woman's Society of Christian Service will hold their next meeting at the home of Mrs. James E. Walker on Thursday, May 15, at 2 p.m. At their last meeting the women of the organization extended thanks to all the men who gave so generously of their time to pour cement in the Methodist Church basement.

CARNIVAL PLANNED BY HIGH STUDENTS

"An Evening of Television" is the title of the program being offered by the students of the high school on Friday evening, May 23, at the high school gymnasium.

The affair will be featured by a carnival with eight or nine booths manned by students as a benefit to finance the annual. The public is invited and a small charge of 50 cents for adults and 25 cents for children will help defray the expense and provide an evening of fun and entertainment to be followed by refreshments.

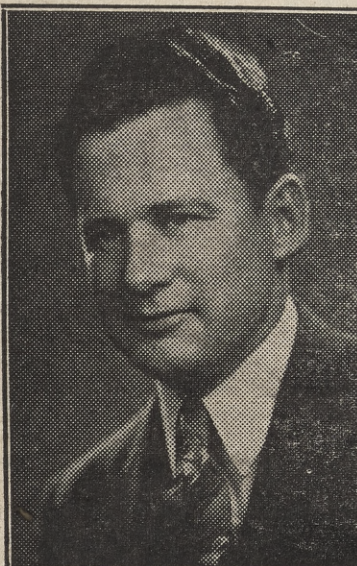

Ernest Douglas, music instructor, is the faculty member in charge of the affair and a committee from the various classes is assisting in making the event a big success.

Local Women Invited To Area Convention

All members of the Wyethia Women's Club are invited to attend the Tri-County convention of Federated Women's Clubs to be held at Placerville May 20 at 10 a.m. Luncheon reservations must be made with Mrs. Charles Hamilton at Placerville by May 16, Mrs. Dave Rose, the local president, said.

At the next meeting on May 16 the refreshment committee comprises Mesdames Anona Loynd, Estelle Englehart, Agnes Mahne, Elsie Barnes and Barbara Barrett.

Will Speak Here

CONGRESSMAN CLAIR ENGLE.

CONGRESSMAN TO SPEAK HERE NEXT MONDAY EVENING

Congressman Clair Engle will address a joint meeting of the Truckee Rotary, Lions and other groups in the area at the high school cafeteria Monday evening and will discuss national and local affairs as they are affected by Congress.

The dinner will be served at 7:00 p.m. and those desiring to hear Congressman Engle are invited to join the gathering at 8 o'clock for the open forum.

Invitations are being sent to members of the 20-30 Club, the Wyethia Club and others who may wish to participate in the educational program.

The Engle visit will in no way make any difference in plans for the Rotary Club Charter Night on Sunday, President William Curran emphasized.

Congressman Engle, a candidate to succeed himself at the June 3 primary election, arrived in California only last week from Washington and will be in the west only briefly before returning to his desk there. His itinerary is crowded and this area is fortunate in being able to hear first hand some of the national problems which he will discuss before opening the meeting to questions and issues of local interest.

Pedley Dancers Will Perform for Lodge

Mrs. Gladys Pedley's dancing classes will provide the program for the Pythian Sisters meeting tonight at 7:45. A Mother's Day program will be presented after the dancing entertainment and refreshments will be served.

Featured on the program will be a song by Vicki Firpo; dancers: Patricia Scott, Linda McEwen, Vicki Firpo, Virginia Barnes, Kit Ellis and Diana Kaspian; acrobatic number: Donna Barnes; soft shoe dance: Donna Barnes; clog acrobatic: Todd McGee; accompanist: Art Rafel.

Quenton Kay's Birthday Is Observed With Party

The ninth birthday of Quenton, son of Mr. and Mrs. Charles Kay, was celebrated Monday, May 6, with a supper and Donner Theater party. A cake, decorated in pink and green, was cut as part of the festivity. The evening was shared by Mike Kaspian, Billy Thornton, Timmy Riden, Liane Kay.

ROTARY CHARTER NIGHT ON SUNDAY

Pictures supplied by the Standard Oil Company showing various sports activities were shown at Monday night's meeting of the Rotary Club. Clarence Tollefson spoke on his recent three months trip and also told of the awards won by the Truckee Boy Scouts at the Camporee held in Auburn last weekend. William Curran presided.

The Charter Night program for the club will be held Sunday at Donner Summit Lodge with James Sherrett as chairman. Visitors present were John Dunsmuir, Hal Wright and Dr. Hollis Snell of Loyaltan; Alvah Hooper, Truckee, and Pascal Huega of Tahoe.

Mrs. Edith Fay, a well known Truckee resident for many years, has recently returned to Roseville from Washington where she visited her daughter, Mrs. M. Zoebel.

New Bridge Over River Is Opened For All Vehicles

Final Cost Cut to Around
One-Third Original
Estimates

Travel over the new bridge spanning the Truckee River on the Brockway cutoff was started on Saturday as work on the structure neared completion.

Supervisor H. G. Loehr said work will be continued for a while until the fills on the upper side have been made safe against the wash of the river but in the meantime, traffic is permitted and will continue.

The temporary bridge, known as the Crandall bridge, a quarter of a mile west of the new structure, has been removed. Increasing high water in the Truckee has endangered the temporary bridge during the past several weeks and it was a nip and tuck race as to whether the new bridge would be complete before the other, lapped by flood water, was washed away.

The old bridge, replaced during the winter by the new span, was demolished last fall by an overloaded truck and trailer hauling a tractor to a forest fire in Martis Valley.

Legal proceedings are being continued to arrive at the blame for the collapse and to secure return of funds which may apply on the cost of the new bridge.

Although an engineer's estimate for the new bridge was approximately \$100,000, Loehr said the actual cost, including nearly \$10,000 for maintaining the temporary span, will be only around \$35,000 and at the same time provides a bridge more adequate than the one first figured.

Art Williams Married In Tahoe Ceremony

Art Williams of Truckee and Roseville was married to Miss Katherine Moeller, daughter of Mr. and Mrs. Rolf Moeller, of Roseville at Zephyr Cove, Lake Tahoe, Saturday afternoon, May 3. Williams, son of Mr. and Mrs. A. J. Williams of Roseville, is well known here where he has worked and also played for the local baseball and basketball clubs. He is a veteran of the Korean war.

The couple will make their home in Roseville, where he is now employed.

NEW DEPUTY MAKES ARREST NO. 1 FRIDAY

Truckee's new deputy sheriff, Roy Waters, made his first arrest last Friday night when he apprehended Norman Schroeder, 20, of Reno on a car theft charge.

The local deputy was advised to be on the alert for a pickup truck belonging to a Reno car dealer. A short time later a report was received to the effect that a pickup was overturned on the highway near Hirschdale and Waters notified the highway patrol and then went to the scene.

He spotted Schroeder walking near Hirschdale, took him to the quarantine station and there awaited the arrival of the patrol officers who took over the investigation. Schroeder denied the charge but was returned to Reno for further questioning by Nevada police.

PRISONER PASSES IN TRUCKEE JAIL

Charles William Waters, 58, San Francisco shipyard worker, died following a heart attack in the local jail Saturday night. The body was shipped to Syracuse, New York, by the Truckee Colonial Mortuary. Waters had been arrested by the highway patrol on a drunk driving charge and had been examined before being placed in confinement.

Coroner Alvah Hooper made the investigation.

JURY REJECTS SUIT FOR BIG DAMAGES

A superior court jury last week denied any part of the \$50,000 sought by Luke Sassarini of Truckee from Ione Ilardi, former Truckee resident, as the result of an accident here last winter in which Sassarini was injured.

The plaintiff charged that a car driven by Mrs. Ilardi back into him on the main street, causing him to break his hip.

The Ilardis, well known here, where Ilardi was employed at Loynd's Truckee Drug for many years, are now residing in Sacramento.

Here for Fishing

Mr. and Mrs. Warren Duke of Mountain View were guests of Mr. and Mrs. James Leamon on the opening day of the lake fishing season here.

NORTH TAHOE

by THELMA BURROUGHS

Balloting at the polls May 6 for replacement of two directors of the North Tahoe Public Utility District ended in a grand expression by the people of their confidence in those two directors — H. E. (Pappy) Brooks and Tom Sutton — to carry on for another term in the interest of the public. Brooks polled 124 votes and Sutton 105. Mrs. Emma Cope, Snowden Burch and Don Barkhurst received write-in votes.

Little fishermen are taking the spotlight at North Tahoe this week. Jimmy (Butch) Crawford first caught a little one, just right for good eating, then went back to the same place the following evening and reeled out a six pounder.

That beats his daddy, Ernie Crawford, who hasn't had any luck at all since the season opened. Stanley Baker, small fisherman son of Fred and Rose Baker, pulled out a nice four-pounder. Both boys were fishing from Howard's Pier at Tahoe Vista.

On the second day of fishing Ace Abbott and Preston M. Burroughs were pushing their shirt fronts out with over-proud chests at having hooked a total of six mackinaw trout weighing about 21½ pounds.

The Dew-Mar Cottages station wagon is seen flitting here and there about the community these days, so Margaret and Dewey must be around there some where working to get their cabins open.

Welcome home, Ione and Bill Wiseman. They've been at home for about two weeks now and have their lovely cottages on the Crystal Bay Hill ready for occupancy.

PUBLIC SCHOOL WEEK PROGRAMS ARE ENJOYED BY CROWDS

KINGS BEACH—The Public Schools Week as celebrated at the Kings Beach elementary school on April 29 and at the Tahoe-Truckee High School on May 1 proved to be a tremendous success. The superintendent, principals and teachers of both schools were much elated by the interest shown by the parents and friends in the community.

At the local elementary school, the public visited in each of the classrooms where they were shown just what went on each day in each room by viewing the children at work. The "day," consisting of an hour and a half, was concluded by a speech of welcome by Principal Lynn Kishbaugh and a talk on the origin of public schools.

Tahoe Area Constables Get 2-Way Radios

TAHOE CITY—Constable Richard Lavery at Kings Beach and Constable Harry Johanson of Tahoe City will have two-way radios in their police cars, capable of sending messages to Auburn and Lake Tahoe points, following a successful test of the equipment by Sheriff Charles Ward and Deputy William Scott of Placer County Wednesday at the lake.

W. A. Polzin of Kings Beach and Reno was a visitor in Truckee on Wednesday.

week by Don Bowman, master of the Truckee Masonic Lodge. Refreshments were served.

At the high school, 150 friends came out to witness a very entertaining program put on by the high school orchestra and glee club. Each gave several beautiful numbers, introduced by the student body president, Ed Alameda, who also gave the welcoming remarks to the public.

Miss Toni Street, who had won the local public speaking contest sponsored by the Truckee Lions, repeated her speech. She was presented with a gift from the Truckee Masonic Lodge by Don Bowman, master of the lodge, who also gave a short talk.

Refreshments were served to all and a tour of the new high school was conducted. All agreed it was a very enjoyable evening and that the Tahoe-Truckee area has one of the most up-to-date schools in the country.

What Is Truckee's Biggest Bargain?

According to a report made at the 1951 annual meeting of the American Water Works Association, it is costing the water utilities 50 per cent more to conduct their business than it did in 1940—and the overall cost per customer served is 110 per cent in the same period.

Despite this tremendous increase in cost, your Utility is still delivering to you over a ton of water at a cost of less than a ½ a loaf of bread.

Have you ever stopped to compare your present day cost of operating your home with the same costs in 1940?

Many Fine Catches Recorded As Season Opens at Tahoe

by SWANEE
TAHOE CITY—Despite a period of wind, rain and hail on Saturday last, opening day of fishing season at Lake Tahoe, some good catches were made by those braving the the ruffled water.

Largest catch of the day in the Tahoe City area reported up to Monday was that of Bill Becholdt, manager of Tahoe Inn, who brought in a 7½ pounder and one around three pounds, both German browns, caught in the lake off Tahoe City. He was accompanied by Frank Giovannoni of Truckee, who caught two German brown,

around three pounds apiece, and Pete Vanni, who came in with a four pounder, same specie.

Visitors Are Lucky

B. Bercher of Sacramento, mason contractor, proudly displayed two mackinaw he caught Sunday off Sunnyside harbor. His fish were ounces over six and four pounds respectively. Paul Salva-

now.
A Mr. Gensinger, mechanic at DeWitt Hospital in Auburn, was among lucky fishermen on Saturday, bringing in a seven pounder from Sunnyside harbor area.

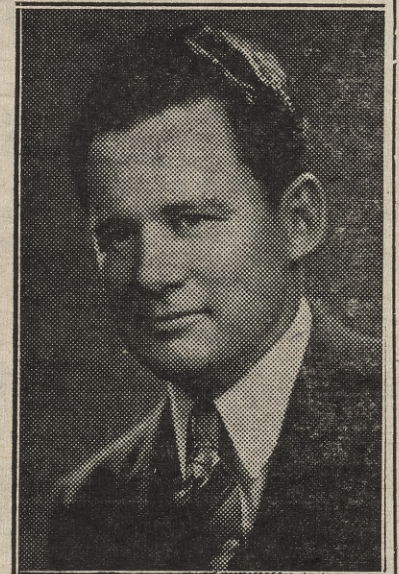

Local men who were successful include Al Sanford of Sunnyside, who caught fish on opening day in Nevada and two around 3½ pounds on opening day on the California side. Imon Mitchell on Sunday took a 4½ pound German brown from the waters of the Homewood area.

The L. F. Edward family of Susanville, which comes to Tahoe City's Lake Chalet Motel annually for the fishing season's opening, went home as usual with a nice mess of fish, a few taken on opening day and the limits on Sunday.

Tahoe's luckiest lady fisherman was Mrs. Pauline Sheehan, wife of Tahoe's patrolman, Tom Sheehan, who had her good fortune on her first expedition in a boat on the lake on Sunday, accompanied by Game Warden Tom Borneman of Truckee. Mrs. Sheehan threw in her line, using only a spinner, and before long she had a fight on her hands as a nice 6¼ pound mackinaw caught at her hook. Perhaps

CONGRESSMAN CLAIR ENGLE, candidate for re-election, through his experience and seniority is the ranking member of the important House Committee on Interior and Insular Affairs, which handles the major problems of mining, livestock, lumber and water and power development affecting his district. Congressman Engle is a recognized leader on mining and water and power legislation. Prior to being elected to Congress he was District Attorney of Tehama County and served in the State Senate of California.

RAILS ACROSS THE NATION became a reality on May 10, 1869, when this picture was taken at Promontory, Utah, as the wood-burning "Jupiter" of the Central Pacific (now Southern Pacific) and the coal-burning No. 119 of the Union Pacific touched their pilots after the historic Gold Spike was driven to complete the first transcontinental railroad.

it was the bit of expert advice she received from the warden which aided her in landing the beauty, the first she ever caught in the lake.

To add to the excitement, she almost lost it! As she hauled it into the boat, the hook feel out of its mouth. She knows her husband "just never would have believed her story" of the big one that got away. The Bornemans came over from Truckee Monday evening to enjoy fish dinner with the Sheehans.

Over at Sportsman's Port, Sanday Beach, North Tahoe, where Mr. and Mrs. Chuck Wollner of Oakland have been installed as new managers by owner Jerry Cornell of San Francisco, comes a story of a small ten year old lad who went along with his parents on his first fishing expedition on the lake. He is Ronnie Griffin of Reno and his experience was nil. But his parents failed to catch a single fish, so Ronnie proceeded to show them up and dropped his line in, reeling it back in with a 2½ pound mackinaw at the end. Ronnie's a! set now for future trips this summer.

Good Fishing, Good Business
At Tahoe Boat Company in Tahoe City every boat was taken and despite showers and rough water some nice fish were brought in, ranging from two to five pounds. Even those fishing from the piers were said to have caught good sized fish Saturday and Sunday. At Obexer's pier in Homewood fishing was reported good, although no large ones were reported.

Just about the best fishing of all was reported at the North Tahoe Marina, owned and operated by Mr. and Mrs. Gene Howard. Howard himself had top luck on both days, bringing in limits. He

reports the largest fish on opening day was taken by Ralph Francis of Sacramento, who took three mackinaw, the largest for the day an eight pounder, the others two and 6½ pounds. He used minnows.

Ace Abbott and Mac Burroughs of North Tahoe brought in six fish, weighing around 20 pounds, the largest a 4½ pound mackinaw by Ace. Billy Martin of Tahoe Vista and Mike Kornazewich of Kings Beach brought back six fish weighing in at 14 pounds, the largest a 3½ pound mackinaw. Used plugs and minnows.

Mr. and Mrs. Gordon Rice of Reno caught three nice mackinaw on plugs, he taking two, the largest a five-pounder; she one, her first out of the lake after five years of trying. Paul Williams and a companion of Reno got five nice fish for a poundage of 13½, the largest 3½ pounds, all mackinaw—minnows and plugs.

Bake Frye of Tahoe Vista didn't need to bother with a boat. He just sat on the pier at North Tahoe Marina and pulled in an eight pound mackinaw on Sunday, using minnows. He caught four on Sunday, three on Monday and a beautiful 3½ pound silverside on Saturday from the pier. In less than an hour and a half he had caught 15 pounds of fish on Sunday, using minnows. Howard said not one customer came in empty handed. All of his 29 boats were out on opening day and 33 on Sunday brought in a total of 80½ pounds of Tahoe trout.

All in all, it looks like a rip-snorting season ahead.

Manleys Return—

Mr. and Mrs. Fred Manley are among the Tahoe City business people who are returning to the lake, after spending the winter in Los Angeles.

Tahoe Rotarians Hear Student Speakers

TAHOE CITY—The Tahoe City Rotary Club was entertained at their meeting last week by a group of students from the Tahoe-Truckee High School, accompanied by Superintendent E. V. O'Rourke. They included Ed Alameda, president of the student body; William Walker, Marcia Dudley and Toni Street, secretary of the student body. The occasion was National Public Schools Week.

Miss Street and Walker were winners in the Truckee Lions Club oratorical contest and the Rotar-

ians really enjoyed their seven minute talks.

A. W. Garmen of Sparks and Cliff Anderson, formerly of Tahoma, were visiting Rotarians. Howard Guth's nephew, Corporal Robert Guth of the U. S. Army who has just returned from Korea and is on a 30-day leave, was also a visitor.

Inspects Property—

W. G. Haste came up from Gardena to see his Tahoe property this week, reporting that it still holds about eight feet of snow.

The Sierra Nevada mountain range is more than 400 miles long.

SWANEE'S Tahoe Letter

Tahoe City, May 5
Dear Tahoeites:
Am happy to report good weather and mild temperatures are prevailing, with green grass on all sides and pussy willow blooming down along the river.
Conger's Motel and distinctive dining room is now open for the summer and despite the earliness of the season, is serving record crowds for this time of the year.

More motel rooms have been added since last fall and more guests can be accommodated during the coming summer. Food is excellent, service prompt and you are always welcome at Conger's.
Gerry Waters underwent minor surgery last Thursday morning at a Reno hospital and so successful was it that the doctor permitted him to return home that evening with his wife. Herb Dana of Tahoma district brightened up Monday night's dinner for the Waters by providing a nice mackinaw trout, one of several he caught in the lake.
Rusty Frodenberg left a few

days ago with Chris Eggsgaard on a trip to Montana to pick up a car. When he arrived he found a trop dusting job awaiting him so he has been temporarily detained at Fort Benton. Rusty holds a commercial pilot's license.
The Lake Tahoe Ski Club meeting on Friday night was attended by about 15 members. Bill Becholdt presided. There was some talk of raising funds but nothing definite was settled upon. The next meeting date has not yet been determined, as the regular date falls on a holiday—May 30.
Stanley Martin, for 20 years manager for the Sierra-Pacific Power Company at Tahoe, leaves for his new position as supervisor for the company at Lovelock, Nev., on Thursday, May 8. His many friends in this area will miss him no end but a promotion is a promotion—and a decided compliment. All wish him the very best in his new post. His wife and son will remain at Tahoe City until school is out, around June 27, after which they will follow him to their new home in Nevada.
Mrs. Evelyn Bliss is back for the out trying to hurry along her snow summer and can be seen daily, bound garden, which will be behind time this year with its lovely array of flowers.
Back for the season are Mr. and Mrs. Norman Mayfield, who left Tahoe City in mid-February to enjoy a vacation out of the snow country. Much of their time was spent in Phoenix, Arizona, where both were taken ill with flu. In Santa Barbara they looked in on Dave Chambers, who with his wife owns and operates Chambers' Lodge at Tahoe and Hotel Samarkand at Santa Barbara. Dave has been confined for some weeks to Cottage Hospital in that city. In Fresno they were guests of Mr. and Mrs. Floyd Smith, in Turlock they visited the Henry Lundells, then, after a stay in Sacramento, they were guests of the Doug Smiths at Auburn, the Ray Prusso family in San Lorenzo and the Joe Maddens of Placerville.
Mr. and Mrs. W. Henry of Orangethale will arrive at Tahoe between May 13 and 16 to occupy the C. W. Vernon house in Bittercourt Tract, which the purchased several days ago. Henry will be employed locally as a pharmacist. The newcomers had a bit of bad luck during their first visit to the lake when their family trailer, loaded with their belongings, was set afire and destroyed everything but the trailer bed. They estimated their loss at over \$750. They are now having a new bed built on and will arrive with their family soon to make Tahoe their home.
Mr. and Mrs. Joe Regenber of Tahoe Tavern are enjoying a two week motor vacation trip.
Mr. and Mrs. Hal Sharrow and daughter Jane of San Anselmo were weekend guests at the Imon Mitchell home in Sunnyside.
Deputy Sheriff H. E. (Pappy) Brooks of Kings Beach, who with Deputy Sheriff Charles Swanson of Tahoe City, has patrolled Tahoe's winding shoreline nightly during the winter months of the past four years, now has a fitting memento to remind him of his official service in years to come. Last Saturday morning, he spied a wildcat skulking beside the snow bank along the highway near Rubicon at 2:30 o'clock. Turning on his spotlight, he was out of his car in the flash of an eye and with a single shot, downed the prowler at a distance of 75 feet. He sent the carcass to a taxidermist where it was mounted to place on display in his store, the Tahoe Sportsman, in Kings Beach. It measured over three feet in length and was estimated to have weighed over 25

pounds. Wildcat are rarely seen at the lake. The fur was in beautiful condition, due, no doubt, to the heavy winter just past.
Members of the Tahoe Pen and Brush Club met at the C. W. Vernon home last Thursday night for the final session of the spring season. Meeting will be postponed until next fall as summer opens at Tahoe and everyone becomes busy. Charles Swanson was host a the refreshment hour and Mrs. Vernon included. Those attending included Laura Wilson, Anne Anderson, Jeannette Mitchell, Darlene Perry, with guests including Judge Vernon and Mrs. Gladys Anderson.
The town was schocked on last Friday night to learn of Willie Arnold's terrible accident but am glad to learn today he is much better and on the road to recovery. Glad, too, to hear that Constable Dick Lavery of Kings Beach is reportedly due home in ten days after which he will be kept in bed for possibly six weeks more. Concussion caused all his trouble it seems. Better luck to both of them and wishes for complete and rapid recovery.
Another card from Fern Schluter from the Royal Hawaiian Hotel where she was having a wonderful time, sunning on the beach and swimming. She was due to attend a Luau that night, given by Aloha Temple Shriners, and would start packing for the trip home to San Francisco on May 11. She sent her best regards to all her friends in the Truckee-Tahoe region.
Bert Scott of Piedmont visited the Bud Scotts at Tahoe over last weekend. Bud Scott spent several days in the bay area on business last week.
Miss Peggy Fagen of Chico has arrived to serve as chief day operator at Tahoe City telephone exchange for the summer. Miss Pauline Patterson of Grass Valley

is chief night operator. Other members of the summer crew include Betty Wickman of Chico and Virginia Sarina of Modesto. Mr. and Mrs. Victor Ferris, in charge of the office during the past winter months, have returned to their home in Tahoe Pines.
Mr. and Mrs. Herbert Mattheus and children of Carson City were visitors in town Monday. Mattheus was formerly in business at Tahoe City, Brockway and Truckee.
In for the summer are Mr. and Mrs. N. K. Marvin and family of San Lorenzo. They purchased the home of the N. E. Zauners at Tahoe Park last fall.

Also in for the summer season are Mr. and Mrs. George Kehlet; Fred Kehlet, his brother, and Mr. and Mrs. Fred Kehlet, all from Palm Springs. The latter Fred is the son of the George Kehlets, owners and operators of Meeks Bay Resort, which they are preparing for summer operation.
Mr. and Mrs. Allan Pollitt were visitors at Tahoe on Sunday from Placerville.
Adios and a cheerio to one and all, as ever, Swanee.

From where I sit... by Joe Marsh

As a Matter of Fact...

Out of all the newspaper and magazine columns I read, the ones I enjoy most are those that pack in a whole lot of facts—unrelated facts, but each one an interesting bit of information in itself.
These columns go something like this: "Did you know that humpback whales are addicted to snoring? That bees have been bred with red, brown, and buff-color eyes? "Did you know that lead can be converted to gold—at a cost of \$1,000,000 an ounce? That a 555-pound fat girl went on a diet and lost 401 pounds in 12 months? That

a chrysanthemum has been developed that smells like a violet?"
From where I sit, maybe I'm a kind of "Johnny-one-note." My own columns always seem to revolve around one idea—a plea for us to make sure we respect the other fellow's rights—like the right to vote for your own choice or the right to enjoy a glass of beer now and then. I may not be in style, but I believe my one fact is worth repeating—and remembering!

It makes
each drop of gas
say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you

want it to do—true and sure in its course on a straightaway—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

TIME RUNNING OUT FOR VETS TO SIGN FOR TAX EXEMPTION

Less than three weeks remain for veterans who own property in Nevada County to file for their annual \$1,000 property tax exemption.

The state constitution, which extends the tax exemption to veterans of all wars — including the Korean conflict — requires applications to be submitted at county tax assessors' offices between the first Monday in March and the last Monday in May.

This year's filing period ends at 5 p.m. Monday, May 26.

Veterans living in the eastern end of the county may claim the exemption when County Assessor W. L. Tamblin and his staff are in Truckee from May 19 through May 23. They will have office hours at the Truckee fire house from 9 a.m. to 5 p.m. daily.

The fact that wives of servicemen or veterans now away in active service are allowed to file on behalf of their husbands for the \$1,000 exemption was pointed out by the county service officer.

Unmarried widows of California service men and in some cases the widowed mothers or pensioned fathers of deceased service men are eligible for the property tax exemption.

The exemption is available only to veterans whose property is assessed at a value of not more than \$5,000. The veteran's interest in his property must have been recorded in the county where it is located before the filing period for tax exemption opened last March 3.

In the case of World War II and Korea veterans, the yearly exemption is granted under state law to veterans who were on active duty at any time between December 7, 1941 and May 16, 1946, and to veterans and servicemen who have been on active duty after June 27, 1950, when the Korean emergency started.

Loggers Will Talk Over Highway Problems

BERKELEY— Relations between the woods and mill, a subject long argued back and forth will be aired at the general conference of the Redwood Region Logging Conference, set for the Municipal Auditorium, Eureka, May 23-24. Prof. Emanuel Fritz of the University of California, conference secretary-manager, announced the program for the 14th annual meeting this week.

Log trucking on the highways also will have a prominent spot on the convention program. Delegates will consider whether the conference should recommend widening and straightening of the present scenic Redwood Highway or press for a new, supplementary route to by-pass the many state parks through which the highway now runs.

In Oregon 32.6 million acres of land are federally owned.

Cisco (Cisco Grove): Natalie N. Williamson, inspector; Veda B. Parsons, judge; Lydia Ella Cramp-ton and Margaretha L. English, clerks.

Summit (Kiski Lodge): Lola Schull, inspector; Louise Hooper Hooley, judge; Elsie Olson and Beverly J. Cardwell, clerks.

Tahoe A. (Tahoe Community Center): Louise D. Geier, inspector; Beulah V. Carnell, Ida S. Simmonds, judges; Corrine M. Ot-ton, Frances Ellen Hanson, Dorothy J. Henry, clerks.

Tahoe B. (Tahoe Community Center): Marie Francesca Henry, inspector; Dorothy E. O'Rourke, Eleanor N. Swanson, judges; Jean-ette L. Mitchell, Lenora T. Bar-tell, Ruth E. Mayfield, clerks.

Harry Stubleby is Veep Of County Chamber

Harry Stubleby of Kings Beach was elected vice president of the Placer County Chamber of Commerce for the coming year at a meeting held recently at Auburn.

D. J. Dobbas of Auburn was re-elected president; Harry Poole, Roseville, treasurer; Matt Lang-staff, Foresthill, secretary; and Garrett G. Doty, Loomis, director. The county chamber plans meet-ings every three months at vari-ous places throughout the county, Dobbas said.

The program of industrial pro-motion, launched last year, will be continued.

More than 80 per cent of Cali-fornia's agricultural land is irri-gated.

Snow Pack at Tahoe City Down to 25 Inches

TAHOE CITY—Tahoe City's recently overwhelming snowpack had dwindled to a mere 25 inches by Monday, and this was going rapidly. The lake level was at 6227.21, with all 17 gates open

full, reports Art Frodenberg, official recorder of such data. Daily high and low temperatures were:
April 28th: 46, 31; 29th: 51, 27; 30th: 40, 32; 1st: 52, 33; 2nd: 55, 42; 3rd: 51, 43; 4th: 52, 30; 5th: low 26. There was .02 of an inch precipitation added to the season's total during the week.

RECEIVE HEROISM MEDALS—For their part in the rescue of a fellow employee buried by a snow avalanche on Mount Rose in January, 1951, these three Reno employees of the Pacific Telephone and Telegraph Company have been awarded bronze Vail Medals for noteworthy public service, according to Art Leitch, Truckee manager of PT&T. Hailed for "initiative and prompt and courageous action," these men are, left to right, William E. Doyle, John J. Ostrum and Lewis T. Pettengil. The trio, aided by four Sierra Pacific Power Company employees, rescued John J. McKinnon, a tractor operator, after a snow avalanche engulfed him and his tractor while clearing snow from the road to the radio relay station atop Mt. Rose, burying him and the tractor under 18 feet of snow for over an hour.

SESSIONS SET FOR CHILD HEALTH AT NORTH TAHOE

TAHOE CITY—A study course for child health conference will be given May 12 and 13 at Carpenters Hall, Kings Beach, which is open to all interested women. The instructor for the course will be Mrs. Beth Quinn, public health nurse with Placer County health department.

The purpose of the course is to help volunteers for assisting in child health conferences which will be started in the near future, under the direction of Dr. Jose Nessim of Kings Beach, in cooperation with the California Congress of Parents and Teachers and the Placer County health department. The purpose of the child health conferences is to promote optimum health, prevent disease and reduce mortality of pre-school children by providing an educational center where parents can learn what they need to know about keeping their children healthy and continuous supervision by a physician over the health of children during infancy and the pre-school age period.

Among volunteers indicating they expect to take the course are Jessie Orkfriz, Clara Van Hooser, Carol Norwalk, Mae Critchley, Peg Mandeville, Camilla Althof, Margaret Christensen, Frances Thompson, Jean Little and Ruth Palmatier, all of Kings Beach; Jean Henry, Gladys Andersons and Jeannette Mitchell, all of the Tahoe City area.

Volunteers will receive certificates at the conclusion of the course and anyone interested is requested to be present at the designated time to join the class. Further information on child health conferences will be made available from time to time by Mrs. Marie Henry of Tahoe City, member of the Placer County board of health.

Those finishing the course will serve as volunteer help for Dr. Nessim during conferences which will be held once a month at the Carpenter's Hall in Kings Beach.

FRODENBERG GUESTS

Visitors at the Art Frodenberg home in Tahoe City recently included Mr. and Mrs. George Godfrey and daughter, Karen, of Seaview, Wash., who left Sunday; Mrs. Ann McAllister and son Robert of Seattle, and Gladys Johnson, formerly of Anchorage, Alaska, now of San Francisco, present houseguests.

TAHOE - TRUCKEE HIGH SCHOOL NEWS NOTES

The first issue for this year of the high school paper, TNT HIGHLIGHTS, under the direction of H. E. Livermore, business teacher, came off the "press" last Thursday and was presented to the visiting parents at the open house at the high school. The issue contained a thank you letter from Ed Alameda, student body president, to the president of the board of trustees, thanking the public for the new building that was made available to the students of the district during the past year. Donna Speeter, Judy O'Neill and Ellamae Mercer were editors for this first issue.

At the regular weekly meeting of the high school faculty, the following end-of-the-year events

were planned and the dates for each set on the calendar:

May 23: High School Carnival in the Gym.
May 30: Memorial Day (School holiday).
June 5: Music-Art Show.
June 20: 7th & 8th grade picnic.
June 20: Junior-Senior Prom in Gym.
June 25: 9th-12th grade picnic.
June 26: Last day of school. Commencement in Gym.

The carnival preparations are moving along rapidly, according to Ernest Douglas, faculty chairman. The date for this annual event is May 23 at the school gym. John Moore, entertainment chairman, has lined up some fine entertainment, including a play by the high school dramatic class, "The Laughing Ghost." A portable stage, 16 feet by 24 feet, is being constructed by Jake Stuart and will be ready for this production.

Summit Scene

by FRAN COUILLARD

The Summit Scene was anything but pastoral Tuesday evening when Dr. Vernon Padgett, Nevada County health officer, flung his

ultimatum in the faces of the mountain folk and told them to get a water supply "or else." Padgett freely admitted that pollution in the area was no greater than in other areas but that through adverse publicity, "the finger" had been put on the Donner Summit area and that development of the area could only be accomplished

velopment of our district, I have been able to obtain everything that was possible — and at the same time keep within a sound budget range.

Much of the work we have accomplished — and particularly as it refers to streets and roads — has cost the taxpayer not one cent of direct taxes. All money spent for all new construction, including the Brockway cutoff, the new Truckee River bridge, many miles of new and improved streets and roads, many thousands of dollars worth of new equipment, salaries for a substantial crew of workmen regularly employed and living here, with families, have been obtained through a consistent campaign by your supervisor from state appropriations and special state-aid funds. Naturally, this money comes from the taxpayer from gas tax, liquor licenses, in-lieu taxes and from various other sources, but it takes initiative, planning and hard work to channel it into local projects. There are countless other areas fighting a good fight to share in these same funds — and if you think it is easy to keep abreast of the current financial program in the state you are thinking wrong. It takes years of study and constant work.

(Political Advertisement) A MESSAGE OF IMPORTANCE TO TAXPAYERS OF THIS DISTRICT

With the rapid approach of the June 3rd Primary Election, I would like to call your attention to a few facts which must be taken into consideration in the selection of your representative on the Nevada County Board of Supervisors for the next four years.

During the eight years it has been my pleasure to serve you in that capacity, I have endeavored to do a good job and I believe you will agree that the progress and physical development in the Fifth District gives proof that my administration has been a good one for the entire area.

There is still much to be done. Continued improvement of streets and highways — or as much as can be done under the terms of the Burns-Collier Act — opening of new developments and a constant service to other local agencies fighting for a better community, are a few of the items on my program for the next four years.

I am willing to stand on my record for the past eight years in offering you a platform. The progress of the area during that time should be apparent to all. Your supervisor cannot take credit for all the progress made, but certainly he is entitled to credit for procuring for his district those things which previously had been denied because of the inability, apathy or lack of know-how.

There are many things I would like to have done during the past eight years which were impossible because of opposing forces over which I have no control, but the fact remains that in my fight for continuous advancement and de-

I have sincerely and honestly conducted the affairs of my office in the best interests of our district. I have never knowingly let any constituent down. I have attended every meeting of the board and the fact that I was elected twice to the chairmanship attests to my relationship with the other four members — an important advantage.

If you have had problems, either as individuals or as a community, I have made every effort to help and if I am re-elected I can only say now that the conduct and administration of my office in the past will be continued fairly and honestly.

EDUCATION FOR LIVING

FOR THE SIMPLER LIFE IN THE EARLY DAYS OF OUR COUNTRY, SCHOOLING IN THE "THREE R'S" MET THE NEEDS OF THE AVERAGE PERSON.

AS INDUSTRY AND BUSINESS HAVE GROWN, OUR SCHOOL SYSTEMS HAVE BEEN BROADENED TO MEET THE NEED OF VOCATIONAL TRAINING AS WELL.

TODAY, IN PREPARING OUR YOUNGSTERS FOR LIVING, OUR SCHOOLS, MORE AND MORE, ARE TRAINING THEM IN MONEY MANAGEMENT — TEACHING THEM THE FUNDAMENTALS OF SAVINGS, INVESTMENT, LIFE INSURANCE, HOME OWNERSHIP — AS WELL AS HOW TO BUDGET THEIR EARNINGS.

through a water system that will pass the rigid tests of the state department of health.

Over 50 mountain folk, tax payers, summer residents and non-property tax payers, sat in on the session, which lasted until after midnight. Many solutions were suggested by Engineer Whipple and Attorney Wilson of Palo Alto, the two retained by the Donner Summit Public Utility District. Quoted cost estimates of the various projects blanched the faces of the "audience," who are just recuperating from the worst winter in history. However, it was pointed out by Padgett, "tougher winters are ahead if a decent water supply is not secured."

A few residents demanded the resignation of the board in heated arguments, claiming that the board retained their various seats illegally by reason of the fact that board elections were not held at the proper time but an opinion by the board's attorney stated the present board could be retained, even if by default. He quoted rulings by the supreme court to substantiate his arguments.

Padgett gave the area another month to find a suitable water supply.

Ice Lakes, Uhlen Valley, Willow Springs and Lola Montez Lakes were all given as possible water sources. C. Edmunds of Truckee, a member of the regional pollution board, painstakingly explained the importance of good water and quoted innumerable instances paralleling this district, where state authorities have actually closed districts. He pleaded for unification of the district so that the burden of the foreseen taxation could be equalized.

It was pointed out by Padgett, Whipple and Edmunds that the present water sources could not be cleaned up by any sanitation methods at this time due to the fact that the underlying granite prevents proper seepage and that the overflow of septic tanks would seek a water level in any case, which would probably ultimately reach the present water sources. Elmo Moriano of Beacon Hill

had a big weekend, what with celebrating his and Jeannie's first anniversary and entertaining the senior Morianos of San Francisco, who journeyed up for the event.

TRUCKEE BANKERS HONOR FOUNDER

Officers and staff of the Truckee branch of Bank of America Tuesday observed May 6 as the 83rd anniversary of the birth of A. P. Giannini, founder of the bank and the west's greatest financial genius, with a brief ceremony held in the bank under direction of R. A. Scott, branch manager.

A recording of a tribute to Giannini entitled "His Kind of Banking" narrated by radio broadcaster Ralph Story, and with musical effects, was played before the assembled staff.

Giannini was born at San Jose May 6, 1870, and since his death June 3, 1949, the birthdate has been designated "Founder's Day." It is observed in Bank of America's branches throughout the world as an occasion on which to honor the banker's memory and review the ideals of progress and service on which he built the institution.

A meeting in Auburn of interest to Tahoe residents on county roads will be held Monday, May 12 and will be attended by Bert Anderson, F. A. Kilner, A. J. Ketman, Mrs. H. Droste Wayne Poulson, Stein Nielsen and Harry Stuble.

Stellar Picture Bill At Donner Theater

With Susan Hayward in the role of Jane Froman, "With a Song in My Heart," lavish Technicolor musical based on the famous singer's career, will show at the Donner Theater here Sunday and Monday.

"California Passage," a first-rate western, plays tonight and "Retreat, Hell," a Korean war film, is featured Friday and Saturday. A dramatic effort to delay the progress of the Union armies through Georgia during the Civil War keynotes "Drums in the Deep South," feature at the local snow house next Tuesday and Wednesday evenings.

LEITCH TELLS CLUB ABOUT PT&T PLANS

TAHOE CITY—The Tahoe City Rotary Club this week heard A. P. Leitch, manager for the Pacific Telephone and Telegraph Company at Truckee, tell of present and future plans for Tahoe City and territory from his company's standpoint. The Rotarians had plenty of questions for the speaker and all received a good answer. Leitch also received several compliments from the audience.

Rotarian visitors present were Jerry Gordon, Kings Beach; H. I. Snider, Nevada City; Al Garner, Sparks. Welcomed back for the summer were Tahoe members Ralph Stanley, Stanola Lodge, and George Kehlet, Meeks Bay.

Also discussed were the plans of a joint meeting of Tahoe and Brockway Rotarians and their wives at Tahoe Inn, Tuesday, May 20, at 7 p.m.

Smart Guests—

Mr. and Mrs. Eddie Sardi of San Francisco were weekend guests of Mr. and Mrs. Reg Smart.

Parents Expected—

Miss Thelma Finger is expecting her parents, Mr. and Mrs. Fred W. Finger, from Louisville, Kentucky, this weekend.

SPORTSMEN WILL RE-OPEN MONDAY

Ted Williams O'Connor and Tony Carter, who recently arrived here from Santa Monica, are preparing to open the Sportsmen at Truckee Resort Monday, May 12, with plans for eventual improvements and expansion.

O'Connor, who has followed a vaudeville career on various circuits for many years, said they planned to open the swimming pool where free instructions will be given the youngsters of the community by O'Connor, a professional swimmer. Classes will be offered the Boy Scouts and others, he said.

Recently O'Connor said he had been in charge of the pool at the Beverly Hills Hotel, where a number of the movie stars' children were included in the classes. His own son, Rory, he said, is an expert swimmer at the age of one and a half years. Two other children, David and Daniel, are enrolled in the elementary school here.

The lounge, restaurant and fountain are being opened Monday with plans for increasing the service in the near future.

TWO BADLY HURT IN ROAD MISHAPS OVER THIS DISTRICT

Five people were injured, two of them seriously, as the result of a series of motor vehicle accidents in this area over the weekend, the California Highway Patrol reports.

Willie M. Arnold, 48, Chambers Lodge, Lake Tahoe, suffered severe lacerations on his neck and leg, and head injuries when the car he was driving went out of control three and a half miles north of Tahoe City Friday evening and crashed into a frozen snowbank.

Arnold was taken to the Tahoe Forest Hospital by the Tahoe fire department ambulance.

William E. Dennis, Lawrence, Indiana, had major head injuries after his car, driven by Donald J. Powers, 30, navy enlisted man, and a Bigge Company truck, operated by Carl Angle, Oakland, collided on Donner Grade Friday night. Dennis was taken to the Tahoe hospital by Truckee ambulance and Powers and Raymond C. Meyers, also in the navy, were treated for minor injuries.

Patrolmen Martin Sturcke and C. S. Maynard made the investigations.

Robin Saudy, 30, San Francisco, was taken to the local hospital Sunday after cars driven by Clement D'Arcangelo, Gridley, and Albert Mayo, San Francisco, collided near Rainbow Tavern. D'Arcangelo was cited for speeding and being on the wrong side of the highway.

Tarzan

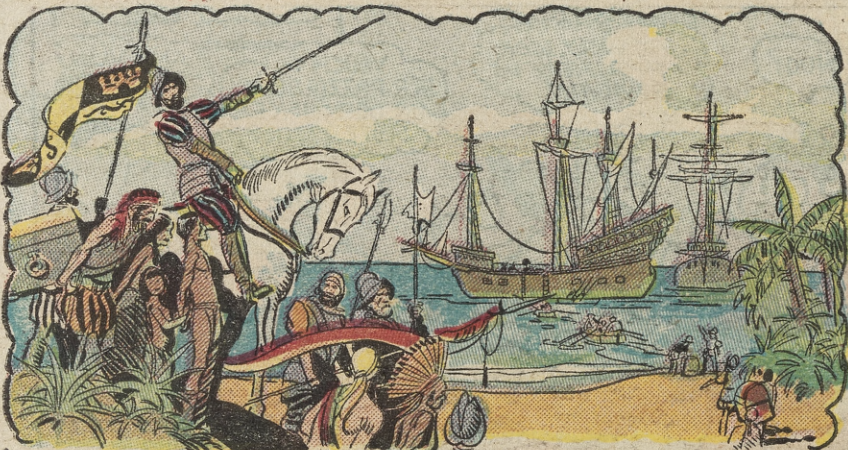

by EDGAR RICE BURROUGHS

ENTERING A HIDDEN CAVE, TARZAN FOUND JORGE DURANA INSPECTING A FABULOUS TREASURE. THE MAN LEAPED FOR HIS RIFLE BUT WAS CHECKED BY A WELL-AIMED ARROW!

"VERY WELL, SENOR," SAID JORGE RESIGNEDLY. "I WILL TELL MY STORY. IT IS FANTASTIC -- WE MUST GO BACK FOUR HUNDRED YEARS!"

"FOUR HUNDRED YEARS AGO, SPANISH EXPLORERS SEARCHED THE NEW WORLD, SOUTH AMERICA, FOR RICHES. THE MOST FAMOUS WAS FRANCISCO PIZZARO, MASTER OF THE INCAS -- CONQUEROR OF PERU!"

"DURING ONE EXPEDITION, PIZZARO AND HIS CAPTAINS REAPED A TREMENDOUS HARVEST. INDIAN SLAVES, GREAT TREASURES WERE PUT ABOARD HIS SHIPS --"

"ON THE RETURN TO SPAIN A VIOLENT STORM SWEEPED THE TINY FLEET -- ONE SHIP BLEW OFF COURSE --"

"WHEN THE STORM CALMED THE INCA SLAVES REVOLTED, ANNIHILATING ALL ITS CREW BUT ONE MAN -- WHOM THEY HOPED COULD GUIDE THEM BACK TO PERU --" "BUT HOW DO YOU --" ASKED TARZAN. "PATIENCE, SENIOR," SAID JORGE. "THE MOST AMAZING PART OF MY STORY IS YET TO COME!"
